Heli Snowshoeing

You might be looking forward to the end of the rain or snow that marks your winter, but we're still hip-deep in the white stuff here — which means that there's still time for you to get out on those snowshoes to explore the slopes and breathe some amazingly fresh, alpine air. It's a great family adventure, and it's super healthy and fun for everyone. We'll adjust the pace and the day to your preferences, whether you're interested in checking out the wildlife tracks or boosting your heart rate.

Our Gateway Cities

Traveling to Revelstoke offers some great benefits — like taking advantage of a few extra days in our “gateway” cities. From wine to cowboys to the Pacific Ocean, each city offers its own unique personality.

Calgary

This cowboy city isn't just for cowboys any more; it's the Heart of the New West, where you can experience both western heritage and the cuisine, nightlife and energy that come from being one of the country's hottest economies. Head to the top of the Calgary Tower for an outstanding view across the prairies to the Rocky Mountains, explore the Old West at Heritage Park Historical Village, take an exhilarating zip-line or luge ride at Canada Olympic Park, or head out on horseback to discover the ranching way of life. Calgary recently celebrated the 20th anniversary of hosting the Winter Olympic Games — it may have grown since then, but it's still just as warm and welcoming.

Calgary is just five hours away, on a scenic drive through the Rockies. Visit www.tourismcalgary.com for more information.

Kelowna

If you love wine, golf and the good life, plan to indulge in this lakeside city in the heart of the Okanagan Valley. Warm sunlight, a dry climate and fjord-like, glacier-carved lakes create the perfect growing conditions for fruit, including the grape. Vines now stretch out in perfect lines over the hillsides, where you'll also find cherries, peaches and lavender. Take a wine-tasting tour in the valley's many award-winning wineries, cycle from orchard to vineyard, or relax into a spa treatment that uses the healthful properties of grapes to really help you soak up the atmosphere!

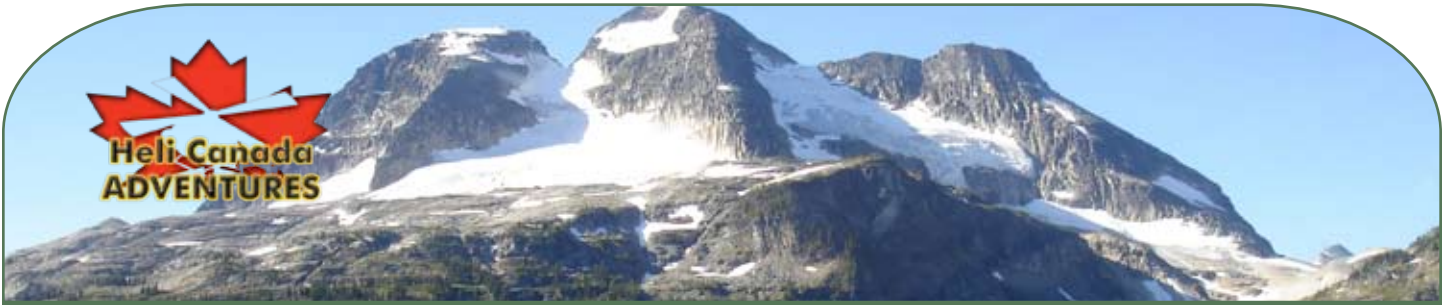

Kelowna and its international airport are just 2.5 hours away from Revelstoke. Visit tourismkelowna.com for more information.

Vancouver

It's all systems go for the 2010 Winter Olympics, to be held in Vancouver and Whistler — we're ready to welcome the world! In the meantime, there's plenty to see and do: the dining scene is nothing short of fabulous, with fresh seafood on the doorstep and fresh produce from the temperate climate of the British Columbia interior. You can sea kayak or hop on board a sightseeing boat to catch glimpses of orca whales, tour a 15th century garden in Chinatown (it's the Dr. Sun Yat-Sen Classical Chinese Garden, best seen in the
