

**WE'RE OPEN, WE'RE PUMPED,  
AND WE'RE READY! HERE  
COMES SUMMER!**

**Spring 2014**

After another epic winter of intense amounts of snow and bluebird days like no other (in other words, heaven for the winter enthusiast!), Heli-Canada Adventures wants to remind you that, while there might still be some white stuff out there, it's not too early to start planning for your summer excitement!

endless for breathing in clean air deeply and being completely inspired.

So where do Bob and his group come in? Well, let us count the ways! Heli-Canada Adventures is kind of like a one-stop shopping spot for summer adventures that will make the blood flow, create amazing lasting memories, and that will introduce you to places that you may never have accessed without the help and experience of highly-

Bob and his crew at Heli-Canada Adventures welcome you to what is, hands down, one of the most spectacular playgrounds nature has to offer. Nestled into the Monashee mountain range, Revelstoke and area has made its mark as having something for every kind of adventurer. Whether it's hiking, biking, heli-skiing, snowshoeing, mountaineering, swimming, walking trails, or just fully appreciating a breathtaking view, Revelstoke should absolutely be on your bucket list of places to experience nature like you never have before. Access to both Mount Revelstoke National Park and Glacier National Park adds to the possibilities that are truly

### Just Imagine...

Tell us your idea of what a helicopter vacation should be! We love planning adventures with our guests - it is so exciting! There are many options to include in your memorable adventure

So, whether it's a photography course, heli hiking, a mountaineering trip, or a laid back heli picnic with good friends or family, let us help you create the perfect trip for you and your needs and desires. We guarantee knowledgeable Guides combined with laughter, fun, and adventure - the perfect combination.

"Climb the mountains and get their good tidings. Nature's peace will flow into you as sunshine flows into trees. The winds will blow their own freshness into you and the storms their energy, while cares will drop away from you like the leaves of autumn."

- John Muir, naturalist

trained, professional backcountry guides. Putting your adventure into the hands of Bob and his staff ensures that you will be comfortable, safe, and able to focus entirely on relaxing into the experience you have signed on for. And there are so many! Bob offers heli-hiking, heli-mountaineering, heli-picnics, and heli-backpacking trips. He welcomes every level of ability, tailoring the trip to your level of experience. And don't forget summer courses that are offered, including rock climbing, photography, or mountaineering. Bob works with only the best, those that have a passion and expertise in their area, who will impart knowledge in a fun, safety-conscious, informative way.

We encourage you to check out our website and learn about our special Goldstar and Diamond Cut packages. Long story short – Bob's specialty is to take small groups and create an experience that you'll be talking about for a very long time. Whether it's Diamond Cut, where your group sets the activity, the dates, and the details, and he delivers, or Gold Star, where you join in with a group of keen adventure lovers, Bob's goal is happy clients!
